

On Trial: Uniting Our Communities

Eagle Rock, El Sereno, Glassell Park, Glendale, Hermon, Highland Park, La Canada Flintridge, La Crescenta, Lake View Terrace, Los Angeles, Montrose, Mt Washington, Pasadena, South Pasadena, San Fernando Valley and beyond...

Caltrans is proposing extending the 710 Freeway by tunneling through and under North East communities. The agency is currently evaluating five possible routes.

Join us for a community forum to:

- increase awareness of the Caltrans proposal(s) for the 710 freeway
- address environmental justice issues related to our regional transportation system
- share information and build a broader and more united community base of residents and activists

Featured speaker:

- Honorable Anthony Portantino, Assemblymember, 44th District

And additional speakers from:

- Cities of Glendale, La Canada Flintridge, Los Angeles and South Pasadena
- Urban & Environmental Policy Institute, Occidental College
- USC Medical Center
- Representatives from 710 Corridor Communities
- Chatten-Brown & Carstens
